

# National Association of Professional Organizers Bay Area Chapter

## Community Partners Program

The NAPO-SFBA Community Partners Program has been established for non-profit organizations who have a mission synergistic with the organizing industry to engage with our Bay Area wide community of Professional Organizers.

Community Partners (also known as CP's) are non-profit organizations whose services are in line with NAPO-SFBA Member goals and values. If your mission would enhance and be enhanced by the professionals in our industry, via member education, skill-building, team-building or relevant services and resources, we would be happy to consider you to be one of our Community Partners.

The benefits of your active membership include:

- Your company logo, description and link on the front page of our website at [www.napo-sfba.org](http://www.napo-sfba.org)
- Complimentary attendance to all chapter meetings for networking, exposure and the opportunity to promote your projects and enlist the participation of Chapter Members
- Space for displaying products and literature at NAPO-SFBA chapter meetings
- A listing in the NAPO-SFBA online resource directory for members
- Social Media promotion of any events of which both the CP and Chapter Members will participate
- Inclusion in the Chapter email group for up to 3 members on the CP's team with email addresses that include your organization's url address
- One annual article published in Bay Area Connections, the chapter newsletter

Requirements of a Community Partner:

- We ask that you maintain a liaison relationship with a current NAPO-SFBA member who determines your eligibility as a community partner and endorses you. That Member will submit a proposal to the Director of Corporate Associate Membership (DCAM).
- Annual fee of \$100.00 (or a sliding scale fee as approved by the NAPO-SFBA Board)
- Attendance at 50% or more of the live meetings per year (4 meetings or more)

We are very excited to learn about your organization to see if there is a fit to benefit us both!
